About Me

Fourth-year Software Engineering undergraduate at the University of Kelaniya with 9 months of industry experience as a Software Engineering Intern and Associate Software Engineer. Passionate about backend development, microservices architecture, and scalable distributed systems. Skilled in building enterprise applications using Java, Spring Boot, React.js, and modern software engineering practices while following clean architecture and SOLID principles.

Education

- **University of Kelaniya** 2023 – Present
BSc (Hons) in Software Engineering
Current GPA: 3.91 / 4.00
- **J/Hartley College** 2019 – 2021
G.C.E Advanced Level Examination 2021
Chemistry A | Physics B | Combined Mathematics B

Experience

- **The Cogntix, Nallur, Jaffna** Aug 2025 – May 2026
Associate Software Engineer Feb 2026 – May 2026
 - Developed and maintained full-stack applications using Spring Boot, React.js, Next.js, and Node.js.
 - Collaborated with Agile teams and participated in sprint planning and code reviews.
 - Improved application performance, maintainability, and responsiveness.
 - Worked on client projects and cloud integrations.
- **Software Engineering Intern** Aug 2025 – Jan 2026
 - Developed REST APIs using Spring Boot and implemented responsive user interfaces using React.
 - Gained hands-on experience with AWS services and microservices concepts.
 - Participated in professional software development workflows and code reviews.
 - Collaborated with senior engineers to deliver scalable solutions.

Projects

- **Enterprise Airline Reservation System (Microservices Architecture)** May 2026 – Jun 2026
Developing an enterprise-scale airline reservation platform consisting of approximately 14 microservices following production-level coding standards and clean architecture principles.
Tech Stack: Java, Spring Boot, PostgreSQL, Docker, Eureka Server, Config Server, API Gateway.
[🔗 Source Code](#)
- **Appointment Booking System (Individual Project)** Mar 2025 – Apr 2025
Built a secure role-based portal to streamline appointment booking, payment processing, and user management for healthcare providers and patients.
Tech Stack: React.js, Spring Boot, React Native, MySQL, JWT, Stripe.
Admin Panel URL — Client Website URL — [🔗 Source Code](#) — [🔗 Demo](#)
- **Full-Stack E-Commerce Platform** Apr 2025 – May 2025
Developed a scalable platform integrating customers, sellers, and delivery personnel with secure authentication and real-time order management.
Tech Stack: React.js, Spring Boot, React Native, MySQL, JWT, Stripe, Tailwind CSS.
[🔗 Source Code](#) — [🔗 Demo](#)
- **Fuel Management System** Dec 2024 – Jan 2025
Developed a secure role-based platform to digitize and optimize fuel allocation processes while preventing misuse through automated quotas and dual authentication.
Tech Stack: React.js, Spring Boot, MySQL, JWT, Twilio, Tailwind CSS.

Technical Skills

- **Programming Languages:** Java, JavaScript, TypeScript, C, PHP
- **Frameworks & Libraries:** Spring Boot, React.js, Next.js, Node.js, Express.js, React Native
- **Databases:** PostgreSQL, MySQL, MongoDB
- **DevOps & Tools:** Docker, Git, GitHub Actions, Maven, Postman, IntelliJ IDEA
- **Microservices & Security:** REST APIs, JWT, Keycloak, Eureka Server, API Gateway, Spring Cloud Config
- **Core Concepts:** OOP, SOLID Principles, Design Patterns, Data Structures & Algorithms, Clean Architecture

Soft Skills

- Collaborative team player | Strong problem solver | Proactive and adaptable
- Creative and detail-oriented | Efficient time manager

Achievements

- Dean's List, University of Kelaniya
- 3rd Place, University Mathematics Competition
- Gold Badges in SQL and Java via HackerRank

Extracurricular & Volunteer Experience

- **ISAC, University of Kelaniya** — Treasurer
Managed financial operations and budgeting for the student association, overseeing funds and supporting event planning and execution.
- **Software Engineering Students' Association** — Batch Coordinator Member
Coordinated activities and communication between the student batch and the association, supporting events and academic initiatives.
- **IEEE Student Branch, University of Kelaniya** — Member
Active member participating in technical events, workshops, and networking sessions organized by the IEEE student chapter.

Languages

- Tamil — Native | English — Professional proficiency

Reference

- **Dr. Nalin Warnajith**
Head / Senior Lecturer, Software Engineering Teaching Unit, Faculty of Science, University of Kelaniya
